Professional Summary

Freelance photographer specializing in documentary, street, and socio-cultural storytelling. I document everyday life, nationwide moments, and protests — real, raw, and relevant. Creating visual narratives that give voice to communities. Seeking collaborations with media agencies, NGOs, and organizations that value authentic visual journalism.

Core Skills

- Documentary & Street Photography
- Photojournalism & Visual Storytelling
- Adobe Lightroom & Photoshop
- Visual Research & Story Development
- Social Media Visual Strategy
- Video Editing with Da Vinci Resolve

Selected Work

- **Urban Life Series** — Capturing daily life and human stories in metropolitan spaces
- **River & Port Life** — Documentary series on labor, movement, and resilience at river hubs
- **Street Stories** — Visual narratives from protests, markets, and cultural events
